# TRUE COLORS

As freshmen, a small class of 130, we wandered the halls frightened by the unfamiliar surroundings and the strange faces that passed by. At times, we stood in awe of the "Seniors," dreaming of the day that we too could parade the halls with confidence or simply have the honor of sitting in the front of the auditorium or eating at the senior tables in the cafeteria.

As the days went on and the years travelled by we became sophomores and then juniors. In those years the faces around us became more and more familiar. We established friendships — some would end at graduation and some would last a lifetime, but most importantly we developed those friendships as a class — the class of 1992. Some of us found friends in drama, others while playing baseball, and still others made friends by talking to the kid in the next seat. Senior year finally came and out of that 130, only 105 students remained to fill the senior homerooms. As they say, "Big surprises come in little packages" — packages adorned with the most vibrant colors of all. TRUE COLORS!

Chris Vetrano says, "Relax, I've got everything under control."

Bill Willis and Todd Antonucci run in fear that Sean Murphy will put Dino Chiappini down and try to bench press them!

"Come on guys, let's huddle together to keep warm. This New York wind is FREEZING!"

Jenn LaCocia, Jen Hanlon, Erin Kenney, Carolyn Hickey, Merry Bernard, and Shannon Boucher all enjoy another delicious, gourmet meal at Camp Frontenac.

Rosanna Fugetta and Jen McNeary say, "Cheese."

Freshman year, Erin Santini, Lucie Pasqualone, Rosanna Fugetta, Sharon Belmonte, and Renee Bernazzani all could have doubled as munchkins in the "Wizard of Oz."

# MOODY BLUES

On any given day, in the famous "senior hallway" between 403 and 413, the shouts, screams and wails of "Your applications are done?" "What are the mods?" and most popularly, "I am sooooo tired!" can be heard throughout the building. This is the Moody Blues.

No one knows where the blues begin exactly. Maybe it begins when you realize you have all your "grown up teeth" or the day that the weight of your schoolbooks exceeds the weight of your body. They hit everyone, every senior at one time or another. Nobody can deny having had them, and thankfully, can't deny getting over them.

Senior year is like a first time on a rollercoaster. You stand in line, waiting for your chance, and finally it comes. Carefully you step on, hesitant, and settle yourself in. The ride starts out slowly, gradually picking up speed as you travel along. With friends and strangers behind you, you climb the first hill. As you near the top you recognize that familiar feeling of dread and overwhelming excitement is filling your body. You say, "Hey! I know this feeling! I had this same feeling when I knew I had gone too far with Mr. Norris, or when I was waiting to have a little talk with Sr. Nancy, and even when Mr. Naglowsky ran into the gym with his arms over this heard during a pep rally."

Recognize the Moody Blues? They come up fast. They might hit you when announcements start and you're standing in the lower foyer wondering what chronic illness will convince Sr. Peggy to let you lie down in the clinic when you should be in physiology or pre - cal or both. Or they might get you the day you realize you've been wearing the ugliest plaid known to man for the past four years. Or they may just sneak up from behind when you least expect it. Any way they come, they come, and sooner or later, in some inexplicable way they go.

Beth Wadman, "In a minute I'm going to take this cursor and . . ."

Erin Santini, "Spring water keeps my hair shiny and bouncy."

Alyson Maio and Shara Amenkowicz, "AARGH, who goes there?"

Sharon Collins says, "I want to be left alone!"

Tricia Blazo thinks, "This is fun. Really fun. I wonder what will happen if I press delete."

"I hope I'm doing this right."

# TICKLED PINK

During our four years at Pope John, we've gone for the gold, been moody blue, but most of all we've been tickled pink. The memories which stand out most in our minds are the times we have shared laughing together, having fun together . . . being tickled pink.

Remember freshman year when most of the girls were munchkins in the *Wizard of Oz*? . . . Or that dance we had in the gym? Our tiny class took up about a quarter of the enormous gym. Sophomore year was the year of that well-remembered ski trip. Remember how everyone kept falling down the mountain and how disgusting the lodge was? Remember Mrs. Kearney and her Locker #1000 and Mr. Ball with his unusual names for everyone? . . . Or the Navy band and that guy who was supposed to be Edgar Allan Poe and kept singing "Bells, bells, bells!"? Remember Mr. Norris Junior Year and his words like "baffled" and "rabble-rousers"? . . . Or when Christine Gomez threw herself on the floor because she messed up playing the piano at an assembly? Remember our Junior Prom and how the D.J. forced us to sing and clap at our tables? Remember all the Halloweens when the boys dressed up as girls and actually looked pretty good? . . . Or sunning on the beach and partying in Cancun? We've had so many great times together- times that made us laugh, times that we will cherish, but most of all times that had us TICKLED PINK!

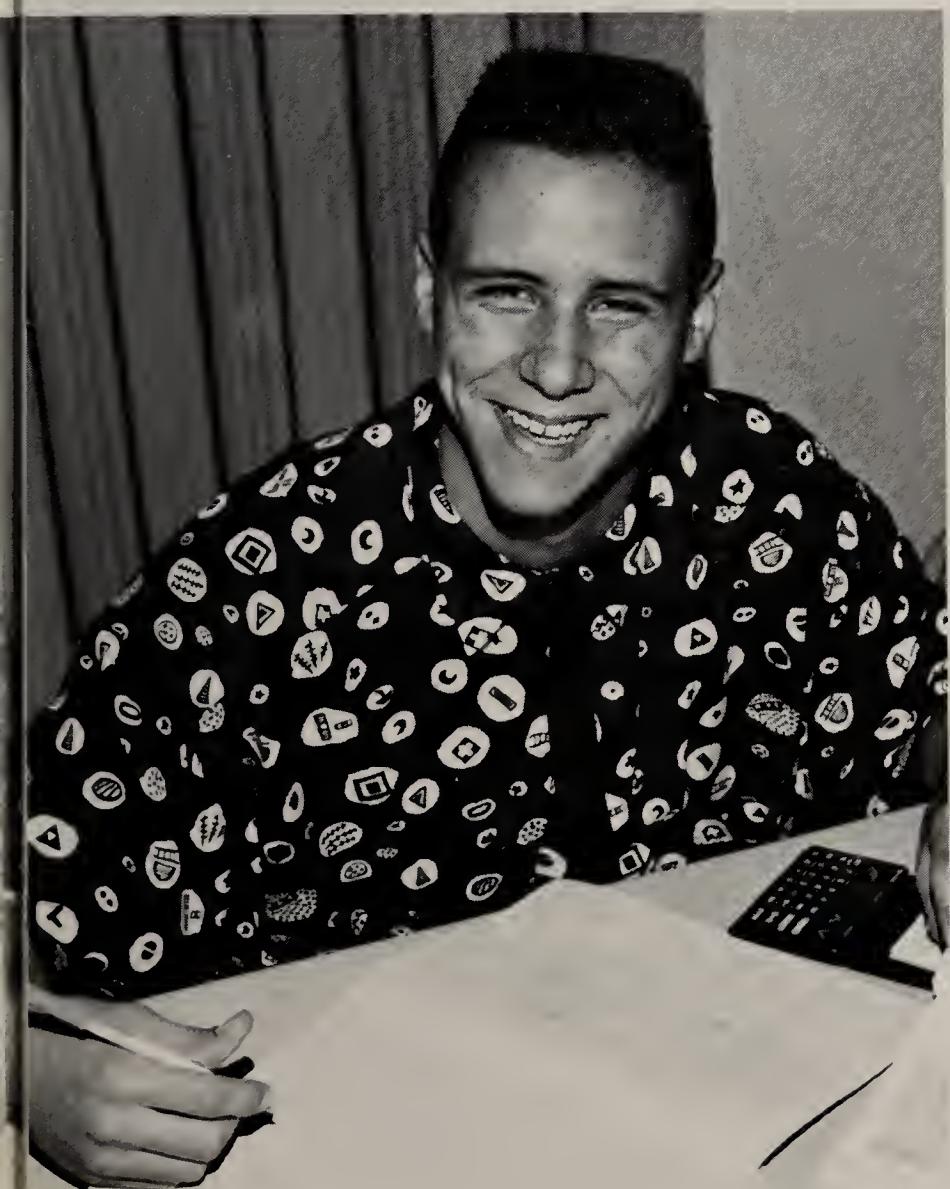

"Christina Slater - OOOOHL!" Diane Gallotto is more interested in reading "Seventeen" than her English book.

"Hee, hee, hee, this sandwich is sooo good!!!"

Shannon, Tracy, and Tina share laughs together in class.

"Better be careful girls - your faces could stay like that!"

"Would you like to dance?"

Chris Page is having a great time doing his accounting homework. 7

# SOCER

Under the guidance of Coach Pat Dailey, the Pope John soccer team experienced a positive season. The Tigers were a young team this year, but many sophomores and freshmen can boast of having had varsity time and the experience associated with it. The team didn't win as often as they had hoped, but all members agreed that the fun involved was well worth the time commitment to the program.

# VOLLEYBALL

**BUMP!** The 1991 Volleyball team had a tough, but productive season. **SET!** Weakened by an injury to Jennifer Krafve, the teammates were forced to adjust. **SPIKE!** They finished overall 9-9, playing an exciting yet difficult season, including a winning match against the best in the state, North Quincy. **SCORE!** Third in the league behind co-champs Williams and A.C., the Volleyball team finished out the season with a 6-4 record.

Bottom (left to right): Deanna Arrigo, Nicole Arrigo, Jennifer Krafve, Kelly Fineran, Tina Martone.

# FOOTBALL

It was a year of record-breaking, disappointment, and recognition for the football team. They started out very well by winning their opener, which was a first for a Pope John football team since 1986. They soon faced a series of losses which dampened their spirits, but not their sense of humor. They soon came back with their captains' leadership to win a couple of games. During one of these wins, they defeated St Mary's by the greatest margin of points recorded by a Pope John team since 1980.

Among the team's success stories was Todd Antonucci who was named the *Boston Globe* Division 6 quarterback of the year; Jean Georges, Chris Bortlik, and David Sacco were all named to the League All-star team. All in all, the team had a great year.

Back Row: Asst. Coach John F. Kearney Jr., Ken Martin, Steve Rene, Anthony Gaiseski, Jeremy Goldberg, Carlo Carpentieri, Dave Sacco, Chris King, Jason Kowalsky, John Phillips, Head Coach Bill Perkins. Second Row: Rich DiCato, Calvin Leung, Jim Cargill, Mike Novia, Luis Naranjo, Andy Polito, Rob Mello, John Dolan, Asst. Coach John Amentola. Front Row (Left to Right): Kevin Mc Master, Capt. Todd Antonucci, Capt. Jean Georges, Capt. Chris Bortlik, Pete Salamanca, Ernie Fratalia.

# CHEERLEADING

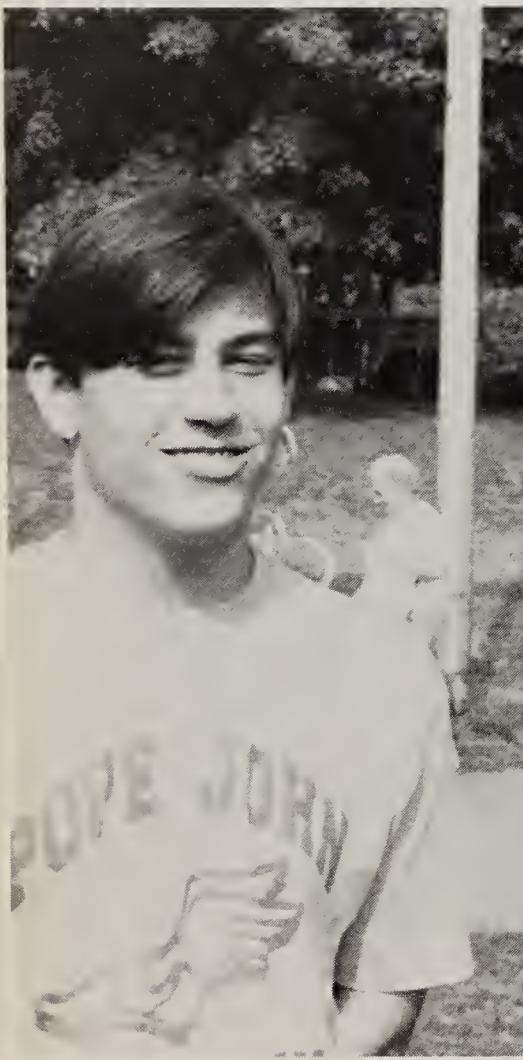

The cheering squad had a rough start this year being without a coach until the first game, but they stuck together with true Pope John spirit and did great. Even though they did not enter into competition, they had two successful pep rallies and showed everyone what "spirit" truly means.

Back Row: (Left to Right) Stacey LoRusso, Stacey Bortlik, Jamie Bellafatto, Keri Rudolph, Kathleen Thibeault, Kristen Jacobs, Melissa Gray. Front Row: Christine Dolan, Erin Kenney, Gina Russo, Capt. Jennifer LaCocia, Dawn Heyward, Kristen Pizzano, Jen Gray.

This year's Cross Country team scored the best record in Pope John history, under Captain Maria Bozzotto. With a league record of 6 - 2, and a combined record of 8 - 2, the team saw outstanding performances by Antonietta and Maria Coviello, Dana Coolidge, Domenica Bozzotto, Katie Goulaud, and Miriam Lau in the Freshman-Sophomore and varsity races and the State Class Meet.

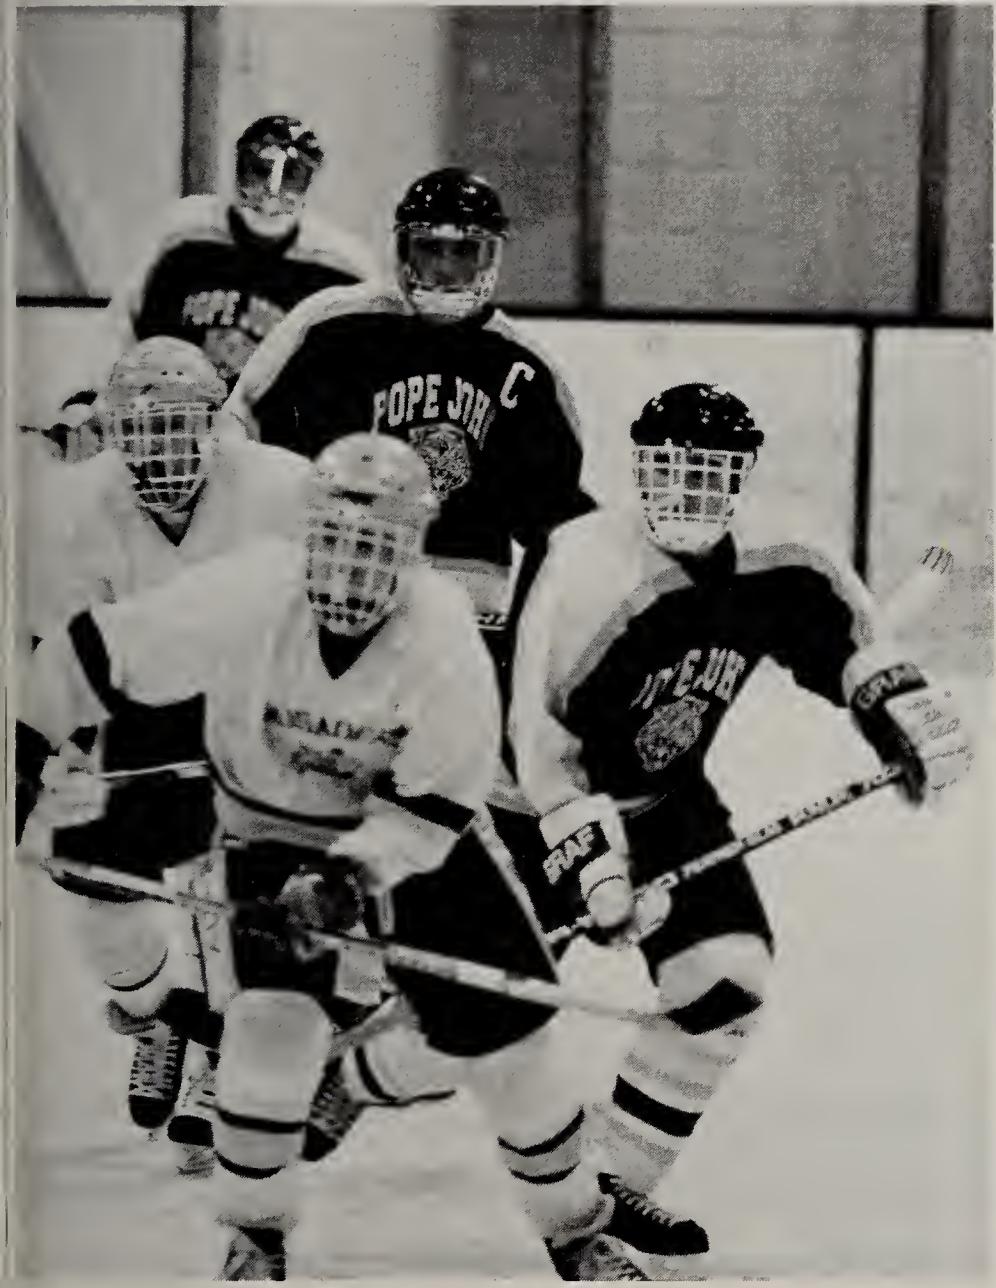

BOTTOM (left to right): Ricky Nee, Eric Shoemaker, John Mongiello, Jimmy Lightburn; TOP (left to right): Matt Bowen, Jeff Lightburn, Teddy Fusco, Rich Ciulla.

# HOCKEY

Under the head coaching of Bill Connors, the Pope John 1991-1992 Hockey Team strived for excellence throughout the season. Along with the leadership of senior captains, Rob Whyte and Chris Page and assistant captain, junior Michael Mainey, they kept their winning attitudes displaying the ultimate tiger pride as they continued to give their best effort regardless of the score.

(top) Coach Bill Connors, Asst. Coach Jim Guiry, Paul Deseare, Rob Whyte, Chris King, Kevin McMaster, Eric Gould, Adam Jaena, Michael Mainey, Chris Page, Joey Gilmore, Robbie Upton, Richard Hagerty, Asst. Coaches Tom Mahr and Tom Kellogg (bottom) Danny Ciaramitaro, Pat Healy, John Valenty, Rob Chrolli, Rocky Brooks, Matt Jones, Eric Ridlon, Eric Moore, Chuck Koslozki

# BASKETBALL

(bottom) Andy Polito, Chris Miller, Jimmy Lightburn, Dave Roberts

As of February 6, 1992, the Pope John varsity boys' basketball team had a record of 3-13. The two of the three games played against St. Clement's (68-61) and Manchester (63-62) gave PJ High first place in the Christmas Tourney. Their third win was played against Austin Prep (79-77).

Like the boys, the girls' basketball team was a young group. This season, their record was 3-20 and despite a rough year filled with several injuries, the girls made it through with PJ pride.

# WINTER CHEERLEADING

(top) Susan Venezia, Melissa Capelotti, Tasha Messina, Keri Rudolph, Stacey Bortlik, Kristen Jacobs, Stacy LoRusso, (bottom) Dawn Heyward, Gina Russo, Erin Kenney, Jennifer LaCorica, Christine Dolan, Jennifer Krafve, Jamie Bellofatto (missing)

The Pope John boys' basketball and hockey teams began their seasons this year with hopeful expectations. Many of their accomplishments would not be possible, however, if it were not for the support of the Pope John Cheerleading squads.

The basketball cheerleaders are off to a great start under the new coaching of Debi Zanor. Although rooting the boys to hard fought victories has become the team's specialty, the squad devotes much energy in preparing for their competition on March 1st. They are hoping that this time their cheering will result in their own victory.

Similarly, the hockey cheerleading squad's enthusiasm has risen greatly under the watchful eye of Bridget O'Brien. They are excited about the season, spending practice time preparing for games and tournaments. All in all, this year's squad is just another shining example of the tiger pride our cheerleading teams have come to emulate.

# THANK YOU!

MRS. TOTTEN

She began teaching here over a decade ago introducing the young minds of Pope John to square roots, right triangles and  $a^2 + b^2 = c^2$ . She offered us her knowledge, but her life at Pope John consisted of much more than triangles and theorems. She was the one who helped each graduating class to wrap up all their years at Pope John and print them in a single rectangular book. She helped each class to tie up their memories in a neat little package and sent them off merrily with a piece of their past in their hands.

For almost eight years now Mrs. Totten has assumed the responsibility of yearbook advisor. Her help, guidance, and experience are priceless to the elected staff and without her the PJ Yearbook could not live up to its full potential. Representing the class of 1992, I, as editor, and the rest of the staff wish to thank her by engraving the word "Totten" on each book to come. Mrs. Totten has continued to give so much to the yearbook and it seems only right that she should always be a part of it whether or not she continues as advisor. Everyone knows that new baby boys are quite a handful. Thank you and Congratulations to Mr. & Mrs. Totten on the arrival of their beautiful baby boy — Daniel Jonathan Totten!!!

## IN MEMORIAM

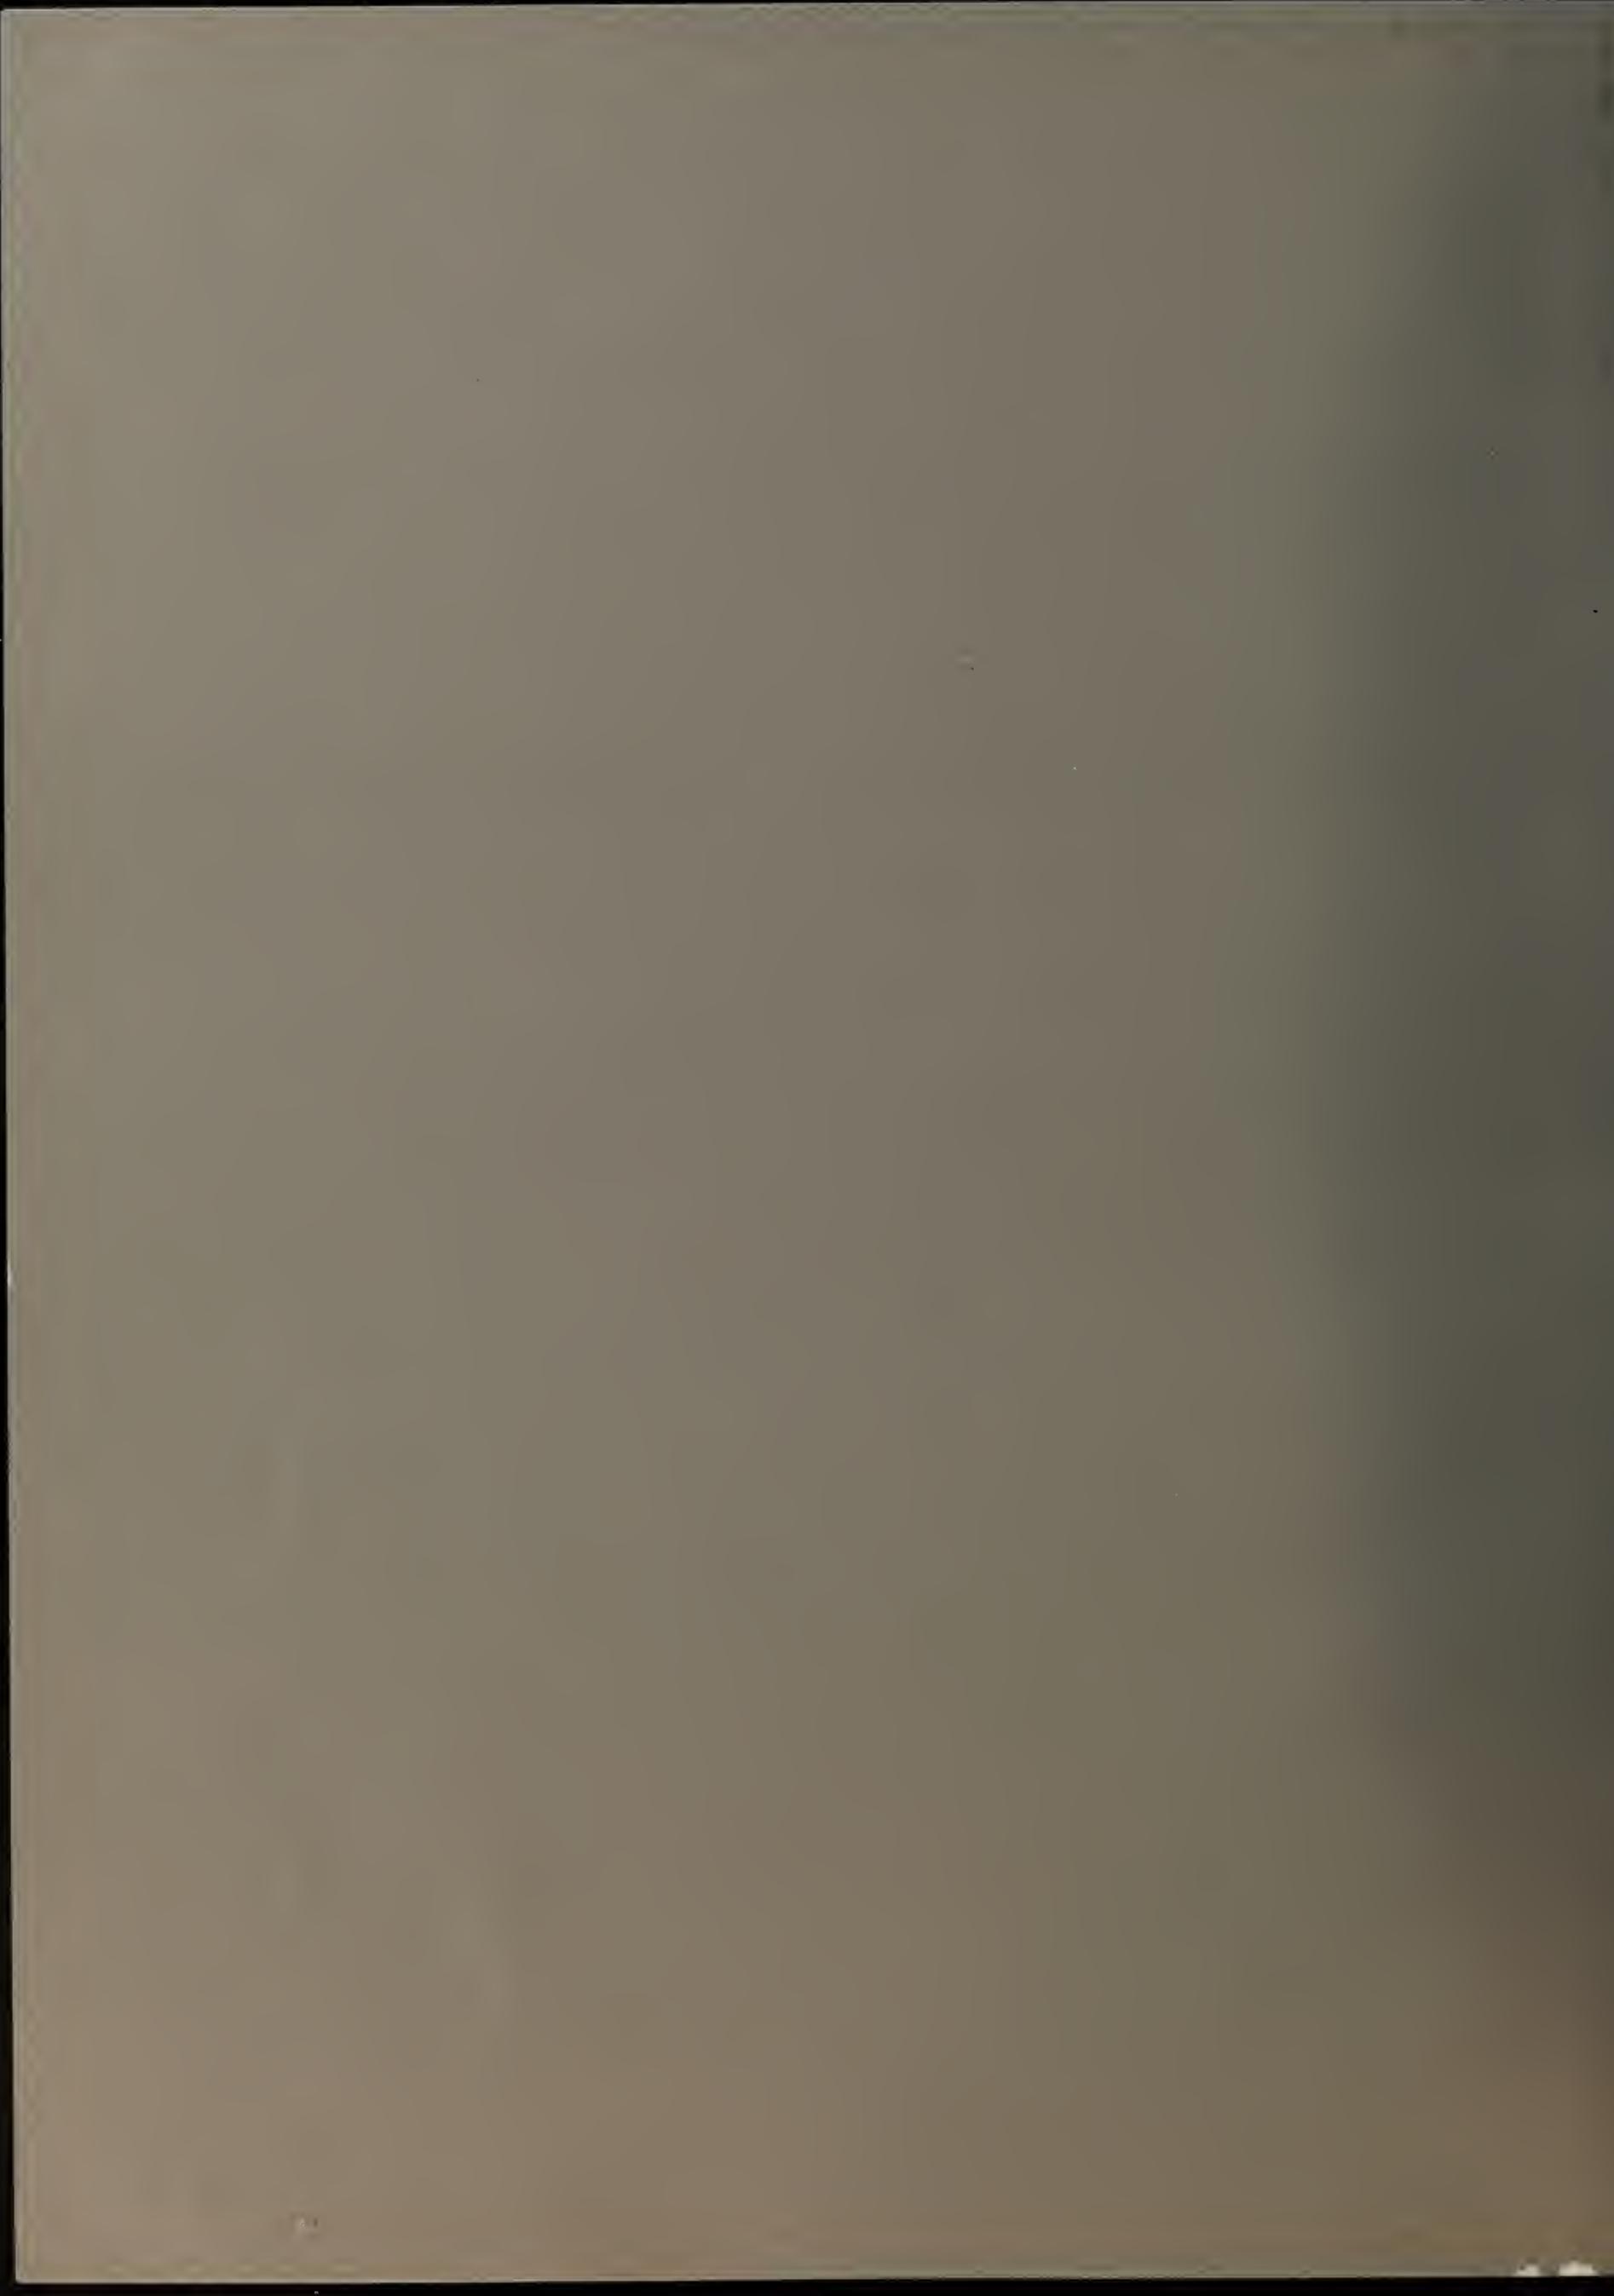

**Sister Marillac Murphy, C.S.J.**

The Lord nurtured and taught her;  
He guarded her as the apple of his eye.  
As the eagle spreads its wings to carry  
Its young, He bore her on His shoulders.  
The Lord alone was her leader.

Sister Marillac Murphy entered into eternal life on September 30, 1991. She was a loving, caring person who spent her life working for God by teaching and nurturing others. She had an immense love and understanding for all people. She loved God, her family, her community, her friends, and students with an undying faithfulness. The Pope John community was not the only one to reap the benefits of her great heart and spirit; she graced Immaculate Conception in Revere, Arlington Catholic in Arlington, and many others with her presence. Her smile will be greatly missed in the halls of Pope John.

# BEST WISHES, MR. STANTON!

## MR. PAUL J. STANTON PRINCIPAL

As we bring to an end the record of our times together at Pope John, it is fitting that we extend our best wishes and prayers to Mr. Paul Stanton, our principal, who is leaving with us.

We will remember him for many things: saying "Be the best that you can be," modeling our school sweater on stage in the auditorium, delivering great puns, and having a warm sense of humor. We will remember him most of all because he told us time and time again that we mattered to him. He let us know this as he stood sentinel on the plaza after school, or stopped to converse with us in the hall during the day, and we are grateful.

Mr. Stanton, the Class of 1992 wishes you Godspeed.
